Cable Distribution Cabinet 189

Design:
The swivelling handle on the hinged doors is suitable for holding a commercially available profile half cylinder. Both of the connectable front covers can be removed for easy cable mounting. The perforated strips built into the rear wall and the supplied drive-in nuts enable the height to be adjusted.

Model range 189
Mounting distance = 290 mm
Max. installation width = 306 mm

Picture may vary.
