

Link Box LB.B.X.8.2.S3.E1.000

PFISTERER's link boxes are key to reliable cross bonding and earthing concepts. The robust design withstands harsh operating conditions and contributes to high availability of plants. A wide product range and portfolio ensures maximum flexibility in planning of cable systems.

Technical Data

Article no.	239 002 096
Application	For underground type
Material	Stainless Steel ANSI 304
Link Box Type	Earthing
Type of bonding lead	Coaxial cable
Number of bonding cable entries	Three cables connected to the cable screen
Number of earthing cable entries	One earth connected inside the box
Rated voltage of surge arrester	U_r (kV) no sheath voltage limiter inside
Number of phases	three-phase
Conductor cross section	(mm ²) 240 - 300
Bonding cable conductor diameter	(mm) 17 - 22
Bonding cable overall diameter	(mm) 42 - 50
Earthing cable type	Single core
Earthing cable diameter	(mm) 14 - 25
Earthing cable overall diameter	(mm) 20 - 35
Protection Type	IP 68
