

Hydraulic Compression Head, Size III, 850 bar

Hydraulic tool head 850 bar with oil-loss-free coupling plug for two-stage high-pressure pumps ZHP, electrohydraulic high-pressure pump EHP and battery-operated high-pressure pump AHP with hose connection (coupling sleeve).

Picture may vary.

Technical Data

Article no.		305 678 009
Type		Size III
Operating pressure	(bar)	850
Nominal compression force	(kN)	240
compressible cross sections Cu	(mm²)	16 - 500
compressible cross sections Al	(mm²)	25 - 630
Stroke		22.5
Power stroke	(mm)	22,5
