

2DIREKT Single Wire Transformer Terminal Clamp

Picture may vary.

Technical Data

Article no.		331 746 302
Number of conductor		1
Connection possibility		horizontal, vertical
Conductor Cross Sections	(mm ²)	35 - 240
Conductor type		round stranded flexible, round stranded, sector shaped stranded
Bolted connection	(mm)	M20
Transformer size	(kVA)	250/400
Maximum current	(A)	630
Earthing possibility		no
min. distance between termination	(mm)	93
