

Suspension for Insulated Overhead Lines (ABC)

for straight lines and line deviation angles up to 25°. The clamp is installed without tools and allows for quick, easy working.

Material:

- Suspension hook and screw: steel, hot- dipped galvanised
- Insert: weatherproof and age-resistant rubber

Picture may vary.

Technical Data

Article no.	332 261 001	
Number of conductor	2, 4	
Conductor cross section	(mm ²)	4 x 16 / 2 x 16 - 25
Nominal load	(N)	2000
Mounting hole	Ø (mm)	22
Bundle diameter	(mm)	12 - 19

Dimensions

Width	(mm)	50
Height	(mm)	110
