

# Tap-off Fuse for Insulated Overhead Lines (ABC)

Fully-insulated, fuse-protected tap-offs can be made from insulated overhead lines by using ABC tap connectors - except type numbers 332 305 001 and 332433001.

Also suitable for bare overhead line systems if the terminal bolt is stripped. Fuses not included.

**Material:**

- Casing: impact-resistant plastic
- Terminal bolt: Cu, tinned, plastic-covered
