

## Operating Pole, Telescopic, Three-Part

This telescopic insulating operating pole with branch saw is suitable to remove branches of voltage carrying parts up to 36 kV.

### Technical description:

- Work height of 2.9 – 8.9 m
- Insulating poles of 1m, 1.5 m or 2 m
- Safe insulation towards voltage carrying parts
- Robust branch saw with durable saw teeth
- Usable in rain and snow

### Technical Data

<b>Article no.</b>	<b>364 172 006 00060</b>
<b>Application</b>	<b>Operating pole, three-part, telescopic, with branch saw</b>
<b>Nominal voltage</b>	<b>U<sub>n</sub> (kV) 36</b>

### Dimensions

<b>Total length</b>	<b>L<sub>0</sub> (mm)</b>	<b>9996</b>
<b>Transporting length</b>	<b>(mm)</b>	<b>2845</b>
<b>Length of insulating rod</b>	<b>(mm)</b>	<b>2151</b>
<b>Total length telescopic rod</b>	<b>(mm)</b>	<b>7385</b>
