

Railway Earthing Devices for Construction Machines

This railway earthing device is suitable for the protective earthing of construction machines.

Technical description:

It is made up of the following components:

- 1 earth terminal clamp U2, 361 346 001
- 1 rail earthing clamp R50, 363 32 005
- 1 short-circuiting cable 50 mm², length 12 m

Picture may vary.

Technical Data

Article no.		364 843 001
Cable cross section	(mm ²)	50
Length of earthing cable	(m)	12
Max. short-circuit current	I _k 0,12 s (A)	36500
Non-protruding		yes
