

Storage Bag, Type A2

This storage bag is used for the safe transport and dust-free storage of voltage detectors and insulating poles.

Technical description:

- Made of hard-wearing artificial leather
- Zip fastener
- Carrying strap

Picture may vary.

Technical Data

Article no.	364 887 003
Type	A2
Number of parts	1
Penetration depth of voltage detector	A_i (mm) 910
Colour	sw/bw
Can be used for	KP-Test 5
suitable for	93014001000028, 93014002000028

Dimensions

Length	(mm)	1300
Height	(mm)	260
