

## Storage Bag, Type A3

This storage bag is used for the safe transport and dust-free storage of voltage detectors and insulating poles.

### Technical description:

- Made of hard-wearing artificial leather
- Zip fastener
- Carrying strap

Picture may vary.

## Technical Data

Article no.	364 887 004	
Type	A3	
Number of parts	1	
Penetration depth of voltage detector	A <sub>i</sub> (mm)	603
Colour	sw/bw	
Can be used for	KP-Test 5	
suitable for	93012000300028, 93012000500028, 93012001000028	

## Dimensions

Length	(mm)	1000
Height	(mm)	260
