

Storage Bag, Type A4

This storage bag is used for the safe transport and dust-free storage of voltage detectors and insulating poles.

Technical description:

- Made of hard-wearing artificial leather
- Zip fastener
- Carrying strap

Picture may vary.

Technical Data

Article no.		364 887 005
Type		A4
Number of parts		1
Penetration depth of voltage detector	A _i (mm)	115
Colour		sw/bw
Can be used for		KP-Test 5L

Dimensions

Length	(mm)	500
Height	(mm)	260
