

# Cable Distribution Cabinet 190

**Design:**

The slide-in door is provided with a lock for a commercially available profile semicylinder. The two slide-in type front covers can be removed for easy cable assembly. The rear wall is provided with hole bars and press nuts permitting built-in equipment to be mounted at variable height.

**Model 190**

Fixing distance = 260 mm

Max. mounting width = 276 mm

*Picture may vary.*
