

Cable Distribution Cabinet 186

Design:

The swivelling handle on the hinged doors is suitable for holding a commercially available profile half cylinder. The connectable front cover can be removed for easy cable mounting. The perforated strips built into the rear wall and the supplied drive-in nuts enable the height to be adjusted.

Model range 186

Mounting distance = 290 mm

Max. installation width = 306 mm

Picture may vary.

Technical Data

Article no.	546 011 067
