

CONNEX Insulator, Size 3, up to 36 kV

The size 3 appliance connecting isolators are suitable to be fitted to sheets that are 6 - 18 mm thick.

Only for indoor use
Breaking force $P_n = 10$ kN
Creepage distance 740 mm
BIL 170 kV
AC-test 81 kV/1 min

Picture may vary.

Technical Data

Article no.		827 177 001
Size		3
Max. system voltage	U_m (kV)	36
Connection thread		M12
Application		indoor up to 36 kV outdoor up to 24 kV
Nominal current	I_N (A)	1250
