

HV-CONNEX Connection, Joint size 4, 72.5 kV

Application:

- Pluggable connection between two cable runs
- Temporary use at testing points

Features:

- For temporary or permanent use
- Fast assembly without any gas or oil work
- Safe to touch, submersible, and maintenance-free
- Certified for offshore use
- Combination of different conductor materials
- Connects a vast range of cable cross-sections

Sockets are covered with plastic covers. Voltage-proof dummy plugs to be ordered separately.

Picture may vary.

Technical Data

Article no.		827 234 001
Max. system voltage	U_m (kV)	72,5
Size		4
Design		straight
Insulation medium		epoxy resin
Working place		indoor, outdoor, offshore
Nominal current	I_N (A)	2500
Applied standard		IEC 60840:2011, EN 50673:2019
Protection Type		IP 67
